

Arboretum Music School Used Pianos for Sale

Everitt Piano - \$250

Originally purchased from UW-Whitewater

Has wheels – comes on a removable piano dolly

Moving is the responsibility of the buyer.

One free piano tuning is included.

We currently have four of these pianos for sale.

Technics Electronic Keyboard - \$150

Full size keyboard – all 88 keys. Weighted keyboard. Keyboard is in great condition. Pedals work. Base to the keyboard is wobbly.

Purchased brand new from Ward Brodt 10+ years ago.

Moving the piano is the responsibility of the buyer, however, it would be an easy move and AMS has a piano dolly that you may borrow.

Schubert piano - \$500

Purchased from Douglass Pianos in Middleton approximately 6 years ago.

Great condition – both inside and out. No problems at all with this piano – just bought new pianos 2 years ago and needing the space back.

Moving the piano is the responsibility of the buyer. The piano is on wheels and AMs has a piano dolly that you can borrow.

One free tuning is included.
